Coming Events

The Girl Guides will hold a tea and doll sale on December 12 at Shrimpton's old store. Special attraction—dancing by Duffell Patrol. 9-12 p.m.

All sorts of useful and fancy articles, suitable for Christmas gifts, also candy and home cooking, and a bran tub for the children, at the Anglican Guild Bazaar on Saturday, December 6th, 1925, in Shrimpton's old store. After noon tea will be served.

A Turkey Shoot will be held at Nightingale on Wednesday, December 9th, at 12 noon.

A supper will be held by the Strathmore C.G.I.F. Club in the basement of the church on December 9th, 1925, from 6.30 to 8 o'clock. Admission 25c.

Noted Speaker Here Thursday

Strathmore will, on Thursday evening, have the opportunity of hearing Mr. A. J. Brace speak on conditions in China.

Mr. Brace is a traveller of wide experience. He is a veteran of the Boer War and the Great War, and can throw a lot of light on the present disturbed conditions in China, where he has been for some time a missionary. He will speak in the United Church at 7.30 p.m.

Mr. Brace has addressed large meetings in Medicine Hat, Lethbridge, Calgary, and other important centres, and Strathmore citizens are privileged to have the opportunity of hearing him.

Safebreaker Operates at Strathmore

Strathmore Hardware Robbed

Strathmore had a visit from safe-breakers early on Sunday morning, when the safe of the Strathmore Hardware was opened, and \$150 in cash abstracted.

The robbers also broke into Mr. Wm. Riden's Machine Shop, and abstracted a sledgehammer and a crowbar, which were found in the hardware store. Entrance was apparently forced from the rear of the store, but the safe was opened in the ordinary way, the robbers having been successful in manipulating the combination.

Constable Hale, A.P.P., had been away escorting a prisoner to Prince Albert when the robbery occurred, but returned on Sunday, and vigorous steps are being taken to find the culprits.

Mr. Rittenger, the manager, discovered his loss on Sunday forenoon. He had left the store about midnight Saturday.

Good Wheat Yield

Following are the records of the wheat yield this year on the farm of Mr. J. A. Cammatt, six miles east of Strathmore:

The wheat was all on summer-fallow, 30 acres averaged 48 bushels per acre, 10 acres averaged 35 bushels per acre, and 90 acres averaged 36 1/2 bushels per acre. This gives an average of 37 bushels per acre for the whole crop, with enough to take care of dockage. The only fly in the ointment was that the grade was 3 tough, caused by wet weather during the months of September and October.

Mr. Cammatt has been on his farm since 1909, and since then has secured a number of exceptionally good yields. He is a constant believer in irrigation during dry years, but did not require it this summer.

Seek New Route For Main Highway

Consideration Promised

The deputation from towns east of Calgary, which went to Edmonton last week to lay before the Public Works Department the case of altering the route of the Medicine Hat-Calgary highway, so that it would run straight east as far as Standard, instead of going south from Strathmore, received a favourable reception from the Department.

They met with Hon. Alex. Ross, Minister of Public Works, and with Mr. Davidson, Highways Commissioner.

After the argument for the new road had been presented, the deputation received a promise that the department would immediately send down engineers to take a survey of the proposed road and report.

From a business point of view the new road would serve a larger population than the present main road. The towns of Standard, Rockyford, Rosebud, and Chancellor are all present without a good outlet to any of the principal motor routes. The present road does not serve anything like the same population as the new road would.

From a tourist point of view the proposed road would lead the visitors to the Province through some of the finest farming country in Alberta, and would also afford them a close view of the C.P.R. Demonstration Farm and irrigation headquarters.

The deputation consisted of G. H. Patrick, for Strathmore; E. W. Post, Rockyford and Tudor; R. M. Fraser, for Rosebud; O. F. Larsen, for Standard; and W. J. Dunstan, for Chancellor. The deputation was introduced by Mr. J. C. Buckley, M.L.A. for Glendon riding.

Under the auspices of Women's Institute and U.F.W.A. Miss Tillie, government demonstrator, gave a splendid demonstration in basketry in the Union Church basement last week. It is to be hoped that Miss Tillie will come again next year.

Telephone Shield Presentation Social

Strathmore Exchange Entertained Six Hundred Subscribers and Friends at Social Function

The good feeling existing between the local telephone staff and their subscribers was demonstrated last night (Tuesday) when almost six hundred people, comprising subscribers to the Strathmore exchange and their families, responded to the invitation issued to witness the presentation of the shield awarded to Strathmore as being the best kept building and sound of any exchange in the Province, and for general excellence during 1925.

The evening took the form of a social, with dancing, supper, songs, and the presentation.

Naylor Bell was chairman, and spoke of the honor done Strathmore by the excellent work of the telephone staff. The first item was a timely rendered song by Mr. C. A. Lydiatt.

Presentation by General Manager Baxter.

The presentation took place at 10.30, when the local telephone staff, consisting of Mr. McParland, manager; Miss R. Norton, chief operator; Misses Ella Anderson, Annie Barton, Elmer Storey, Edna Frouse; and Mr. Elmer Jenkins, troubleshooter, were lined up on the platform, when the presentation was made by Mr. E. B. Baxter, general manager of the Alberta Government Telephones.

Mr. Baxter said it was with a great deal of pleasure he came to Strathmore to meet the local people and to present the shield, which the local exchange had won.

They would understand the degree of merit, necessary to win this shield, when they were made aware that of eighty-one telephone buildings in Alberta forty-one had entered the competition. There were a number of other prizes, but the shield, with which went \$50 cash, was the principal one. It was the endeavor of the telephone

system to create the best possible feeling between the staff and the public, and these companies felt to have more than anything else to promote this feeling.

Mr. Baxter then read a letter from a local subscriber stating the gratitude the subscribers felt to the staff of the Strathmore exchange for the fine service which had been given.

In making the formal presentation of the shield Mr. Baxter said that the Alberta Government Telephones, through him, wished to express their appreciation of the work done by the Strathmore staff. The work had been done without assistance, by the staff alone.

Hearty applause was rendered as the shield was presented, and the individual members of the staff were introduced to the audience by Mr. Baxter.

Presentation to Louise Exchange. Mr. Baxter took the opportunity, while on the platform, to present to Mr. Joe Chamberlain, manager of the Louise Exchange, Calgary, the third prize in the competition, which had been won by that exchange.

Dancing was then resumed, and carried on in an early hour while no less than five stilted of more than one hundred each, indicated in a splendid report, consisting of chicken, salad, cake, ice cream, and various other good things, 546 people in all sitting down to supper.

Excellent music was furnished throughout by the whole string of musicians, who kindly donated their services.

The hall was prettily and appropriately decorated, the stage set or namented with a large telephone, while the words "Alberta Government Telephones were 'strung across it'.

The evening as a whole was a fine example of community effort, as the music, refreshments, etc., were donated, but the burden of the work, of course, fell on the members of the telephone staff, who are entitled to great credit.

A number of visitors were present from outside points, including numerous important officials of the telephone service.

(The report of the evening's proceedings is necessarily condensed owing to its closeness to press time, but publication of the letter thanking the staff, and other details, will be made in next issue.)

SERVICEBERRY DISTRICT ASSOC. Serviceberry District Association U.F.W.A. and U.F.W.A. will hold an important meeting at Rosebud Saturday, December 12, beginning at 10 o'clock in the forenoon. This is the annual meeting.

Officers for the ensuing year will be elected. More important, however, will be the selection or endorsement of a U.F.W.A. candidate for member of Alberta Legislature from Bow River.

General attendance of U.F.W.A. and U.F.W.A. is desired. Mr. Stacey, the poultry expert, will give a talk on poultry and winter egg production.

Bring basket luncheons. Rosebud Locals will supply the coffee.

• • • • • EDITION • • • • • The special Xmas colour edition of the Standard will be issued December 16th, with many appropriate features. Look out for it. You will find Xmas store features in every issue of the Standard from now till Xmas.

M. D. Keoma Meeting

The Council of M. D. Keoma, No. 249, met in regular session on Saturday, November 21st, at 2 p.m. at the Council Hall, the following members being in attendance: Reeve Scarth and Councilors Messrs Walker, Donchin, Rangelier and Bates.

On motion the minutes of the previous meeting were adopted as read.

Will Not Co-operate

A communication was read from the Municipality of Shepard regarding a matter of the erection of a new bridge in that District, and the approach of the fills to same. It was requested that we join with them and the other Municipalities represented at the Convention in Strathmore on August 6th, and request that the C.P.R. construct the fills as well as the bridge. On motion it was agreed that no action be taken in this regard. The secretary was instructed to reply to this effect, as the council up to the present time, and we agreed to co-operate with other districts in matters of this nature.

Threatened Action

Communication was read from Mr. T. M. Waters to A. Roehon, stating that Mr. Roehon had suffered damage to the extent of \$100 due to the condition of his road, and that if we did not pay some he would commence action against us. An account for road work was also enclosed, which was approved after the day labour rate had been corrected by Councilor Walker. In regard to the threatened action, the secretary was instructed to reply stating the claim had been disallowed.

A communication was read from the Dept. of Agriculture requesting that very excellent numbers to the programme which was very nicely arranged, and they show great credit to their teacher, who has worked untiringly with them. At the close of the entertainment, Mrs. Jensen served delicious refreshments, which were greatly enjoyed by those present.

The programme was as follows: "God Save the King," Eljer Costella; "The School Bell," Kacie Deschamps; "Ding Dong Bell," Alfred Selvigsen; "The Twinkle," Aleck Christensen; "Mary had a Little Lamb," Keith Williams; "Lullaby," Nette Peterson; "Luther's hymns," Edith Costella; "Fire Bells," Lena Jensen; "Merrill's Song," Esther Costella; "Cuckoo," Louise Messinger; "Snow Shovel," John Jensen; "Dinah Bang," Ella Fra or det hylme "Jemine," Harold Larsen; "Vallette," Hermann Andersen; "Sing, Robin Sing," Charlie Lait; "Hunting Song," Harold Larsen; "Arie Berrall," Fred Christensen; "Duet "Under the Beach Tree," Dora and Viola Hansen; "Waltz," J. Brahms, Mrs. Paterson and Ella Larsen; "Reading Mrs. Knowlton," Scherzo, "Norwegian Bridal Procession," Grice, Mrs. J. B. Paterson.

A circular letter from the Hall Insurance Board was read to the effect that a meeting of the delegates to the Annual Municipal Convention would be held in Edmonton on November 24th, for the purpose of discussing the matter of C. C. Inception, the surcharge assessed on the same as the line companies. On motion the delegates were instructed to attend this meeting and report.

Stock By-law
Two petitions were presented against by-law No. 26, one from Division No. 5, and one from Division No. 6. On motion it was agreed to hold a poll on December 14th for the purpose of taking a vote on this by-law.

The following appointments were made for this purpose:
Deputy returning officer, Mr. Frank Kernick.
D.R.O. Division 5, Mr. J. G. Stevens.
D.R.O. Division 6, Mr. McNair.
Poll, Division 5—Residence of Mr. McNair.
Poll, Division 6—Residence of Mr. Stevens.

A report of the Equalization Board was read fixing a tentative average valuation per acre of \$20.11 on the farm lands in this Municipality. On motion it was agreed that this is not accepted and the secretary was instructed to go on with the C.P.R. on this matter, and file a formal appeal with the Board, to have this reduced. A communication was read from Mr. Graham, Engineer Dept. of Public Works stating that we had not earned our full Government grant owing to the culverts not being installed in the Capital grant road. On motion it was agreed that these should be installed at once, and the secretary was instructed to advise Mr. Graham that this was being done.

The date of the next meeting was fixed as December 15th.

Dalemead

Mrs. Storey and baby, from Elmora, are visitors at the Mrs. Storey home. Miss Hattie Walker left for Big Valley Friday on business.

Roy Wheeler, C. Conner and son, Lester, left for a hunting trip near the Rocky Mountain House.

Mr. M. Colwell, from Carstairs, was a visitor at the C. Colwell, Martin, and Andrew Van der Velde home before leaving again for Los Angeles.

The play "Aaron Slick from Pumpkin Creek" was given to a full house on Friday, the 27th, and all took their parts well. Pratie is due those who helped to make it a success, those who took part as are as follows: Aaron Slick, Bill Brand; Mr. William Sheridan, John Nelson; Clarence Green, Charles Hornstein; Mrs. Rosy Derry Gladys Conner; Gladys Mc Morrison, Hazel Kautz; The Girl in Red, Johan na Ven der Velde; Little Sis Rigles, Lilly Kautz; Hotel Guests, Charlie and Jesse Chilton, Eric Thompson, Francis Conner, Sam Brand.

Mrs. J. Evers and daughter, Inez, from Calgary, attended the play Friday, and were visitors at the Rudolph home.

Standard Notes

A pleasant evening was spent by the parents and friends on Wednesday evening, November 25th, when the pupils of Mrs. J. B. Paterson gave a musical evening at the home of Mr. and Mrs. H. V. Jensen, who very kindly lent their home for the occasion. About twenty children contributed very excellent numbers to the programme which was very nicely arranged, and they show great credit to their teacher, who has worked untiringly with them. At the close of the entertainment, Mrs. Jensen served delicious refreshments, which were greatly enjoyed by those present.

The programme was as follows: "God Save the King," Eljer Costella; "The School Bell," Kacie Deschamps; "Ding Dong Bell," Alfred Selvigsen; "The Twinkle," Aleck Christensen; "Mary had a Little Lamb," Keith Williams; "Lullaby," Nette Peterson; "Luther's hymns," Edith Costella; "Fire Bells," Lena Jensen; "Merrill's Song," Esther Costella; "Cuckoo," Louise Messinger; "Snow Shovel," John Jensen; "Dinah Bang," Ella Fra or det hylme "Jemine," Harold Larsen; "Vallette," Hermann Andersen; "Sing, Robin Sing," Charlie Lait; "Hunting Song," Harold Larsen; "Arie Berrall," Fred Christensen; "Duet "Under the Beach Tree," Dora and Viola Hansen; "Waltz," J. Brahms, Mrs. Paterson and Ella Larsen; "Reading Mrs. Knowlton," Scherzo, "Norwegian Bridal Procession," Grice, Mrs. J. B. Paterson.

Miss Vivian Clifford went to Calgary last Wednesday to attend the Commercial Student's dance at Penley's Hall. She returned on Friday.

The Women's Institute Bazaar was largely attended last Friday afternoon when the whole community turned out to make it a success. A dainty lunch was served by the ladies, and a tempting array of home cooking was displayed and quickly disposed of. There was also a table of sewing and fancy work, and a beautiful table centre was shown which was raffled off during the dance, which followed in the evening, the lucky winner being Mrs. Chris. Anderson. The dance was a huge success, many coming from long distances to be present. The Women's Institute were well rewarded for the efforts, having the sum of \$140.00 clear, and the ladies wish to thank all those who helped in any way to make the day a success.

Captain Thos. Hewitt, of Calgary, was in town last Friday, the guest of Mr. H. C. Farthing.

Mr. and Mrs. Maude Sorenson have moved into town for the winter, and are living in the Haskyn house, recently vacated by Mr. and Mrs. Jens Jensen.

The new sidewalks, which were completed on Standard's main street recently, are a great improvement over the older walks. We hope that this is only the beginning of the good work, and that other streets will receive the same attention some time in the near future.

Mr. O. P. Larsen went to Edmonton on Thursday to act as representative from Standard on the delegation to arrange about the main highway from Calgary.

Carceland

The Ladies Aid of the United Church, will hold its annual bazaar next Saturday at the church. The Aid wish to announce that there will be lunch served in the evening. There will be a fancy work booth, a doll and baby clothes booth, a handkerchief booth, a plan sewing booth, and home cooking booth. The C.A.L.T. girls will have charge of the candy booth; proceeds to go from their own treasury. Don't forget the date, Saturday, December 5th.

Alfred Anderson returned from Winnipeg last week where he had been in attendance at the U.G.A. annual convention. He has some very interesting things to tell the shareholders of Carceland, and says the newspaper's report of the conditions was more or less misleading.

The spelling match to be held at Carceland on Friday night, December 4th, should be attended by everybody in the school district. Much extra work is thrown upon the shoulders of the various schools, and one way to show our appreciation is to give the spelling match our support.

Mr. and Mrs. William Gibson spent a few days in Calgary last week.

The Ladies Aid of the United Church wish to announce the receipts at the bazaar held last week amounted to \$170. The ladies wish to thank all those who so generously contributed, and the very liberal support given by the community.

Grain has been coming into Carceland in very large quantities during the last two weeks, and the elevators are just about full. The shortage of cars is proving a big handicap to the movement of grain.

A number of people around here have been putting in new radio sets lately.

Andy Ostrum is having a well drilled. Mr. Moody is doing the work.

About thirty school kids attended a skating party last Friday night at Andy Ostrum's place. After the sport on the ice and around the burning straw stack, the girls and boys all went to the home about eleven o'clock and were treated by Mr. and Mrs. Ostrum to a very fine lunch, and were unanimous in voting Mr. and Mrs. Ostrum into the order of "good fellows."

The Carceland school will hold the Christmas entertainment on the evening of December 24. The different organizations of the community are contributing towards the cost of the treat.

Ben Cool and Mr. and Mrs. N. A. Cool left last Monday for Chicago and New Orleans.

Blind Creek—Preaching service and Communion of the Lord's Supper at 7.30 p.m.

Rev. PERRY JOHNSON, Pastor

Local merchants should think twice before spending fifty or a hundred dollars in calendars and other trinkets forms of advertising novelties. The large retail and mail-order houses in the cities never spend a cent on these questionable methods. It is a safe plan to follow the lead they give in this matter as they spend hundreds of thousands of dollars annually to secure business and it is all spent for newspaper space and direct to customer advertising.

AN AMATEUR GOLFER'S DREAM COME TRUE

Here you are—golfer! No more cunts' over the silence or hooking of your tee shots. Here's a driver—the invention of a Bostonite—that, it is said, will make a star out of the most ineffectual "pull chaser." The face of the club has moulded on it three vertical grooves, fluted to equal the curvature of a golf ball. When the ball is struck, all sideways motion is prevented by the ridges which catch and drag the ball in the grooves.

Boy Scout Notes

FIRST STRATHMORE TROOP BOY SCOUTS

Dr. T. W. Moore has kindly consented to put the Scouts through the instruction in First Aid for the second Class Tests. His first lecture on the subject was given on Monday evening, and was enjoyed by all who were present.

The troop had a bun and Weiner frog on the 25th, and large quantities of these articles were consumed.

Residents are asked to phone 88 if they have a small job to be done, and a Scout will be sent. His earnings will go towards the purchase of his uniform.

The time is getting short for the toy collection for Sunshine, and those having toys, etc., to spare should phone 88 at once.

School Column

A meeting of the School Fair Association was held last Friday evening. The attendance was small, but a good deal was accomplished. Mr. W. S. Benn, of the Provincial School of Agriculture was in attendance.

The pupils of all grades will be having examinations this month. The results will be published after Christmas.

Don't forget the Spelling Tournament in Carleton Place next Friday. Last year the Carleton parents, teachers and pupils came over to Strathmore in large numbers. The parents, pupils and teachers of the rural schools, and of the Strathmore school should turn out to this event in force.

The following officers were elected for the newly organized branch of the Junior Red Cross for Room IX: President, Hector McDevor; Vice-President, Norman Ellis; Secretary-Treasurer, Geraldine Van Tichem; Assistant Secretary-Treasurer, Nathan Waldman; Circulation Manager, Mary Rellinger. The first meeting was held last Friday, and it was decided to make up a parcel to send to the Children's Hospital in Calgary for Christmas. Monthly meetings will be held the first Friday of every month. There are twenty-six paid-up members.

On November 11th a Junior Red Cross Society was formed in Room 11, the following officers being elected: President, Albert Gray; Vice-Pres., Ernest Wright; Secretary, Jean McGregor; Treasurer, Alice Rellinger; Executive, Helen Shrimpton; Germaine Giroux; Denis Gardner; Circulation Manager, Billie Keeling. The Society has twenty-six paid-up members. Meetings will be held on the second Friday of each month.

BERTA VALE

Owing to an oversight the name of the Galpin family was omitted from amongst those contributing butter and vegetables to the Junior Red Cross Hospital at the shower held in the above school on November 20th.

Rosebud News

Mr. and Mrs. Shorty Cox are the proud parents of a baby boy.

Mr. and Mrs. Brunner were in Drumheller and called on Mrs. Forker in the hospital.

Frank Archer expects to be away for week or ten days looking after interests near Edmonton.

Mr. and Mrs. Jones entertained the Campbell family.

Edgar Schultz, Rufus Buzard, Eding and Helen Foster made a flying trip to Drumheller.

W. E. Payne had rather a close call when a straw stack caught fire while threshing, destroying the granary, but practically all the wheat was saved.

Mr. F. W. Schultz, Mr. and Mrs. C. H. Schultz and little son, John, left for Eugene, Oregon, where they will spend the winter.

Several from Rosebud took in the dances at Kirby school as well as at

Curling to Start Soon

Flooding of the season and through time commenced last week, and the weather continues favorable. It is expected that curling will commence the latter end of this week, or the beginning of next. "Jimmy" Swanson, is again manager of the curling rink for the season.

The rink is now clear of debt, and in every way is in very good position. Lady curlers had a successful meeting on Wednesday, when a ladies' club was organized, with the following officers: President, Mrs. E. W. White; Vice-President, Mr. E. N. Bailey; Secretary, Mrs. A. D. Shrimpton. The ladies expect to have at least twenty members, and the men had better look to their laurels. Any lady who wishes to join should get in touch with either of the above-named officers.

Executive Committee—Mrs. Garrett, Mrs. Sorensen, Mrs. Fossenden.

Four rinks are arranged for with Mrs. White, Mrs. Bailey, Mrs. E. Anderson and Mrs. Hirth as skips. Draw for rinks will be announced at a later date.

All ladies desiring to curl, and who have not made it known, are requested to hand their names to the secretary not later than December 6th, after which date the rinks will be drawn.

Social Hygiene

A very informative lecture was given by Dr. J. A. Cook, of the Provincial Department of Health, on Wednesday afternoon to an audience of ladies, and on Thursday evening to an audience of men. The lecture was illustrated by moving pictures.

Figures given by Mr. Cook as to the extent of venereal diseases were startling, and showed that about 25 per cent. of the people were, or had been at some time, infected in one form or another. These diseases were responsible for a large proportion of those confined to lunatic asylums and similar institutions.

The health departments of the various governments were endeavouring by spreading information and giving treatment secretly and free, to combat these evils, and were meeting with some success.

The social diseases were not confined to any one class of society, but were most prevalent among the very rich and the very poor.

Many other facts were brought out by Mr. Cook.

Keoma Notes

Now that threshing is over, Keoma folks are regular visitors to Calgary, except the elevator men, who are kept busy with the grain haulers. The average crop yield here was about 25 to 30 bushels to the acre.

Last Friday a very enjoyable evening was spent in the school lounge when a whist drive and dance was held, the proceeds going to the piano fund. Progressive whist began at 7 o'clock, and finished at 9:30 when Mr. Gresson Ranby "caved in", the old time dance music. Mrs. E. Fink was the ladies first prize and Mr. Pratt the gent's first; the consolation prize were won by Miss R. Ranby and Mr. W. Bertram. Everybody then joined in a good "hop" until supper, which was served by the ladies. Dancing then continued until "Home Sweet Home" was played over the radio, when the gramophone was used to shriek out the fox trots. Early in the morning everyone bade each other "good night" and wended their weary way homeward. Many thanks are due Mr. G. Ranby for the use of his well-heard radio.

The Rev. Mr. Attwood will preach on Sunday at 11 o'clock. It is to be hoped that this will be as large a number present as last time.

Many of the Keoma people attended the dance at Irricana last Tuesday.

Keoma welcomes the new depot agent's wife and family, Mrs. Shearer. We hope they are here to stay for some time.

Everybody shows their appreciation of the good time they had at the last social evening, and come to the one to be held on Friday next, December 4th.

Rockford.

Mrs. Scott's two sons have left for Seattle.

Mr. Tom Burdick has been on the sick list.

Successful, indeed, both financially

and socially, was the basket social given in the Rabbit Lake school. The school, which was crowded to capacity, was prettily decorated with streamers of pink and mauve. Mr. D. McIwain kindly acted as master of ceremonies while the Twiss three-piece orchestra supplied the music. The sum of one hundred dollars was realized, which will be used to pay for the school piano.

C. N. R. EARNINGS

SHOW INCREASE

The gross earnings of the Canadian National Railways for the week ending November 14, 1925, were \$5,746,740 as compared with \$4,927,568 for the same period of 1924, an increase of \$829,172, or 17 percent.

LOCAL NOTINGS

Strathmore Masonic Lodge will hold their local election of officers next Monday evening.

A number of Strathmore brethren visited Rocky and Masonic Lodge last Thursday evening.

Farmers are having the advantage of good roads this fall for grain hauling, the subsoil being partly frozen, and sand less troublesome than usual. Local elevators are receiving large quantities of grain daily.

Mr. James Martin has purchased a new Studebaker from Messrs White & Son.

Mr. R. A. Lambert was the victim of an accident last week. While he had a tank of grain at the loading platform at Nightingale, the horses took fright at a passing car, and dashed off with the heavy tank. Mr. Lambert had just caught up with them when the pole of the wagon struck a telephone pole, smashing the wagon pole. Fortunately, no grain was lost, and the horses were uninjured. Mr. Lambert had also the misfortune to lose his garage by fire recently.

Reeve Chamberlain and Councillor Wheeler were delegates from M. D. Bow Valley to the Municipal Convention held at Edmonton last week. The convention approved of important changes in the collection of school taxes, and on other matters after municipal administration.

Though Mr. T. Chamberlain has been away for the past year, his farm has been working well for him. The average yield on his wheat, recently threshed, was forty bushels per acre. Mr. J. L. Tait has been renting the farm during Mr. Chamberlain's absence.

Four sheep near town were destroyed by dogs last week, but the owner was fortunate in finding the dogs on the job and shot them both.

Veterans Amalgamate

Veteran bodies all over Canada have united as "The Canadian Legion of the British Empire Service League," with Lieut. Gen. Sir Percy Lake, Victoria, B.C., as first president.

There have been too many veteran associations in Canada, some of them formed with no other purpose than giving of jobs to their officers, or for political purposes. In fact, there is a shrewd suspicion that some were organized by politicians for the purpose of splitting the soldier vote. Marshal Douglas Haig's visit this summer did a great deal to overcome the friction between the various organizations, and the present union is the result.

The status of the local branches of the various bodies will not be at present affected except by the change in name.

OF LOCAL INTEREST
Readers are requested to send in items for this column not later than 12 o'clock Monday morning, preceding day of publication. All local news items are welcomed by the Standard, phone 17 or 68.

According to Rev. Capt. A. J. Bruce, the returned missionary, there are 140 denominations of Protestant churches in China. The missionaries are often asked the question, "What is it all about?" The natives say they see "The Big Wash" (Baptist), "The Little Wash" (Methodist), and "No Wash at All" (Presbyterian). To the Chinese there are only the three denominations. —Blairmore Enterprise. Capt. Bruce will speak at Strathmore tomorrow (Thursday) evening.

The capital debt on the Memorial Hall has now been reduced to \$2,000, as against \$25,000 at the beginning of the year. In addition the dining room was recovered at a cost of \$281, and various other improvements effected. The Memorial Stone has also been erected and paid for, the cost being over \$800.

The Rainbow Orchestra held a very successful dance in the Memorial Hall on Friday evening, one of the largest crowds ever present in the hall having turned out. A very enjoyable time was spent by all, the music being exceptionally good. The Rainbow Orchestra will again visit Strathmore on New Year's eve.

Mr. Chas. Allen, who has been in charge of the C.P.R. pavilion at Wembley, England, for the last two years, left for Montreal on Saturday, the exhibition being now wound up there. Mr. Allen will be stationed at Montreal for a time, but may be expected to pay Strathmore a visit in the near future.

Mr. O. E. Otto has opened up a battery recharging and repair shop in White's garage, which will be a big advantage to the people of the district. He is installing a considerable amount of new machinery to handle this work. Mr. Otto was formerly resident with his parents in Nightingale, but for the last five years has been engaged in battery and electrical work in California. His wife and family are now resident in Strathmore.

The Strathmore Meat Market are making a shipment of turkeys on December 4, and will take all offered.

The Strathmore branch of the C.W.V.A. was organized in 1919, and has been responsible for a lot of good work in the town and district since its inception. Under the amalgamation its field of usefulness should increase.

THEY CALLED IN A SURVEYOR TO MEASURE HIM FOR A COAT

These two extremes in size of a surveyor was called in on the big fellow and the little individual was lifted to the top of a table. Then— all went well.

These two are considered the largest and smallest men respectively in the world. The taller fellow is Tom Tom. He is 21 years old, has a chest measurement of 68 inches, a waist of 78 inches and weighs 640 pounds. The little fellow is Major Mike—18 years old, 23 inches tall, weight 21 pounds.

KING EDWARD HOTEL STRATHMORE

A well-appointed eighty-room building, with modern conveniences. Hot and cold water, steam heat, baths.

Special terms for permanent boarders. Furnished suites.

THE COMMERCIAL HOUSE

F. K. Miller, Manager

Social-Personal

The Ladies Aid of Sacred Heart Church held a very successful tea and sale of cooked food on Saturday, taking in over ninety dollars. The angel food cake, donated by Mrs. Pierson, which was raffled, was won by Mrs. Van Wezel with ticket number 22.

Mrs. Harry Barker, of Okotoks, has been visiting for the past week with her parents, Mr. and Mrs. James Martin.

Master Frank Miller and H. M. Thorburn, representing the two local hotels, attended the hotelmen's convention held in Calgary last week.

The installation of a checkroom at the Memorial Hall would be a boon and a blessing. A number of losses and exchanges have been reported, especially so on evenings when a big attendance is present.

The Women's Institute were delightfully entertained at the home of Mrs. Boiesvala Wednesday, November 18th. The main feature of the evening was exchange of Xmas gifts among members. This caused considerable interest meriment among members present. Delicious refreshments were served.

Mrs. A. W. Brown and Mrs. W. Cartwright have been spending a few days with Mrs. A. D. Currie at the rectory.

Weddings

HALBERG-LAWRIE

The wedding took place on Thursday, at the United Church Parsonage, Strathmore, by Rev. A. H. Rowe, of Miss Edna Lawrie, daughter of Mr. Harold Halberg, of Ladysmith, B.C. The bridesmaid was Miss Stevens, and the best man Mr. Ernie Wilson. The bride was given away by her father, Mr. J. P. Lawrie.

Both the young people are well known throughout the district, and received hearty congratulations prior to leaving the same afternoon for their honeymoon tour, which will conclude at Ladysmith.

COPELAND-GENTHER

Robert Copeland, one of the popular young men of the Langdon district, was united in marriage to Miss Alma Genther, of Shepard, on Wednesday, Nov. 18. The marriage ceremony was performed by Rev. Mr. Westaway, of Calgary, at the parsonage. After the ceremony, Mr. and Mrs. Copeland motored to the bride's home, near Shepard, where they partook of a very dainty wedding dinner. About forty of the Langdon young people visited the newly-weds at the home of the groom, on Monday night, November 22, bringing with them old tin cans and instruments of noise, to demonstrate the old habit of charivari.

Namaka Notes

School has been closed for a week owing to the outbreak of scarlet fever. No new cases have developed, so we are hoping school will be open again this week.

Mr. and Mrs. J. W. McIntosh took advantage of the fine weather Sunday and made a trip to Calgary in their new Studebaker.

Mr. W. H. Baker attended the annual convention of the Hotelmen's Association on Tuesday of last week in Calgary.

Skating is the favorite pastime of the young people in town. All of the sloughs being frozen over.

A number of young people attended the dance held in Strathmore last week. All report having a good time. Owing to Strathmore Choral Society having their entertainment at December 11, the Namaka Ladies Aid have postponed the Fall Supper indefinitely.

Langdon Notes

Mr. C. Westwood, Reeve of Sturgeon Municipality, returned on Saturday from Edmonton, where he attended the convention of the Alberta Association of Municipalities. A very successful three-day basketball demonstration was held in the W. I. rooms last week by Miss Tuttle, of the Home Bureau Dept. of the University of Alberta.

A merry crowd of W. I. friends surprised Mrs. F. G. Fulton on Thursday evening, the occasion being her birthday. Music, cards, and refreshments were enjoyed till the early hours of the morning.

About twelve or fifteen motor loads of Landonites went to Dalesburg on Friday night to see "Aaron Slick of Pumpkin Creek," played by the Junior U.F.A. The play was good, all doing their parts very creditably, and several are deserving of special mention.

Mr. E. Armstrong, of Calgary, was visiting in town during the week. Miss E. M. Jerold spent the week end with relatives in Midnapore and Calgary.

Inspector Buchanan visited the Langdon schools on Monday.

Victoria Barron spent the weekend with her sister Nellie, in Calgary.

EIGHT SPEED KINGS TEAR UP ROAD IN DIX PICTURE

Eight well known professional racing drivers, including Leo Nomis, the famous movie "stunt" man, take part in a road race scene which provides many of the spine-tingling thrills in Richard Dix's latest Paramount starring picture, "The Lucky Devil," which will be the feature at the Memorial Hall on Saturday.

The story is a screen original by Byron Morgan, who wrote "Code of the Sea" and "The Air Mail." Frank Tuttle, who directed Dix in "Too Many Kisses," made this one also.

WEEKLY YOUNG PEOPLE'S MEETING

At last week's meeting of the Young People in the United Church there was the usual good attendance, and following the opening devotions Miss Florence Garrett gave an able address on the subject of Prayer. After the minutes and business a social hour was spent, the programme of which had been well prepared by the committee consisting of Misses Florence Hartman and Peggy Eves, and Mr. Tom Chamberlain. An unusually interesting arrangement for the serving of the refreshments was carried out in which the members were divided into "Families", prizes being given for the best looking. The first prize was awarded to the family consisting of Mr. and Mrs. Furr and Miss Lucy Furr (Lecturer). Tom Glenning, Florence Garrett and Arlet Kennedy. Mention was made of Mr. and Mrs. Orr and the "Ork Kid (Orchid) and of the family consisting of Mr. and Mrs. Mony and their daughters Alice and Sara (all money and ceremony). On Thursday of this week there will be an illustrated lecture by Mr. A. J. Bruce, of China. Everyone is invited.

POULTRY POOL STARTS

The new provincial poultry pool is now in operation. At present the product consigned to the pool is to be marketed through the provincial government marketing service, which service will be continued as in the past under the direction of the provincial department of agriculture, and will be prepared to market any product consigned to it.

United Church Notes

We are glad to state that a new group of boys have been organized south of town, which comprise boys from Crowfoot, Landsker and Tutor. Eleven boys met in the Landsker school last Saturday, and the following officers were chosen: Chief Ranger Sherman Brown, Sub-Chief Harold Garriot, Secretary Neil Dyson, Treasurer Eldon Ruppe. Mr. Brown outlined the aims and work of the Trail Rangers under the fourfold programme of the C.R.E.T. We very much appreciate the kindness of the Trustees of Landsker school to use that building for our meetings, and can assure the Board that the greatest care will be taken to leave the premises in "apple pie" order. We also appreciate the kindly spirit of the teacher in offering to put a fire on for us when home.

Mr. Mart, of the Bible Society, gave an excellent address with lantern slides last Sunday evening to a very appreciative audience, but which ought to have been twice the size. His lecture dealt with the various translations since Jerome and Tyndal, and traced the growth of Bible work of distribution worldwide. An offering was taken up for the work of the Society, and Mr. Rogers will be pleased to send in any additional subscriptions that all lovers of the Bible may leave with him.

Bazaar and Supper

Tuesday next, December 8th, we want to be a red-letter day in this district. The ladies have left nothing undone to make this bazaar and supper unusually good. There will be no exorbitant prices, and every article sold or eaten will be value given for value received. This event will take place in the Town Hall. Bazaar will be opened at 3 o'clock, and supper will be served from 6 to 8:30.

Please note—Services in Rockyford will commence at 7:30 from now on.

FUNERAL OF MINERS

The funeral of the three men: Mr. Mike Gilday, Mr. Leo Burke, and Mr. Joe McLane, who were killed in the mine, took place on Saturday, November 29th.

Father Melvill sang the Requiem High Mass, Bishop Kidd gave a beautiful address. Father Anderson, of Calgary, was also present. The flowers were beautiful.

Mr. Gilday leaves to mourn his loss his widow and five children, a father, four brothers and three sisters. His father, and sister, Mrs. A. E. Vigar, and brother, Mr. Harold Gilday, were present. The other sisters and brothers are in Nova Scotia. Mr. Gilday was 41 years and two months old.

Much sympathy is extended to the family.

HOW ABOUT HEREDITY?

By Dr. C. M. Hinks

Medical Director, Canadian National Committee for Mental Hygiene.

All had mental traits are by no means due to bad heredity.

When parents say "Tommy inherits his father's bad temper," they should modify the remark by saying "Perhaps, Tommy imitates his father's exhibition of bad temper."

Too often parents believe that inheritance has given their children bad characteristics. The mother is nervous, the father is given to temper, some fits of anger—and they think the children inherit these qualities. Mental traits, so experts say, are certainly developed and often controlled by environment. For example, many people

Rockyford

The Ladies Club of Rockyford gave a miscellaneous shower to Miss Cora V. Wambold (a bride-to-be of next month) at the home of Mr. and Mrs. J. B. McGuire last Friday evening. About one hundred and sixty friends attended, and Miss Wambold was the recipient of many useful and beautiful gifts, which are very much appreciated.

Baintree ladies are putting on a dance in aid of their Community Hall Fund in the Rockford Hall on Friday evening, December 4th. Mrs. Trainor's orchestra being in attendance. Everybody welcome.

The Rainbow Orchestra dance on Tuesday was quite a success; a good crowd being in attendance. St. Rita's Altar Society supplying the eats.

Rockford girls' Gaiety Club are putting on a Novelty Dance in the Rockford Hall on Friday evening, December 11th. There will be all kinds of novelties and lots of fun. Everybody assured of a good time. Let's go.

Threshing is completed in the Rockyford district, and the farmers are now hauling their grain to the elevator's, who are, in turn, shipping as fast as they can get cars. The yield for the Rockyford district will be between 25 to 30 bushels of wheat, which we regret to say is not grading very high owing to the wet weather conditions.

Miss J. Martell, matron of the Rockyford Hospital, has returned to her duties after spending two weeks vacation visiting friends in Calgary and Edmonton. Miss M. Johansson, who was relieving, returned to Calgary.

"Shorty", the editor of the Rockyford Itaz, spent a few days in Edmonton last week.

Mr. and Mrs. J. A. Wise, Mr. and Mrs. W. H. Acton, and Mrs. E. McCrea spent last week-end in Craighile visiting George.

Mr. E. W. Fust and R. M. Prater attended the convention of municipalities in Edmonton this past week.

Mrs. F. E. Ryan's brother died at Moose Jaw a few days ago. Mr. Ryan attending the funeral. Much sympathy is felt with her in her bereavement.

Young Clayton son of Mr. and Mrs. F. E. Ryan, was taken to the Holy Cross Hospital last week with an abscess on his ear, which had to be operated on, also had his tonsils taken out. We are glad to report that Clayton is doing well.

Another half section of land very close to Rockyford was sold yesterday at \$82.50 per acre.

Say fellows, are we going to have a skating rink in Rockyford this winter? How about a meeting to get things started.

are afraid of lightning, but a noted authority says he has never seen babies show fear at a sudden flash of light. The loud crash of thunder frightens them, but not the brilliant light alone. Fear can be taught, so can courage.

Since environment plays such a big part in the acquisition of good mental habits, it can be readily understood that the right time to avoid bad mental habits of adults is to prevent their development in early years.

Superiority of Value endorsed by Chevrolet Popularity. Definite proof of Chevrolet leadership in the low-price quality field is established by the overwhelming increase in public acceptance of Chevrolet values.

Here, in these 1925 figures, is the evidence of Chevrolet popularity:

March	1 per cent. increase
April	54 per cent. increase
May	70 per cent. increase

over same months last year.

The public has unanimously accepted the NEW Chevrolet as the outstanding automobile value of 1925.

WHY NOT A GAS CAR?

The success of the new oil and electric cars recently introduced on Canadian lines has attracted local people to ask why a car of this type could not be introduced into service in Strathmore and Calgary.

There used to be a two car train running from Strathmore to Calgary once a week, returning the evening following. However, the popularity of the motor car reduced the revenue from this train, and it was taken off. Another factor was that at that time there were no roundhouse facilities at Strathmore, and in cold weather it would take some time for the foreman to thaw the engine out.

However, a car of the new type could be operated without any great cost, and would drive a good business, especially during the winter months, when roads are often blocked to motorists. The present train service consists of one train each way daily, coming to Strathmore twenty minutes apart. It is obviously inadequate, and we trust the Canadian Pacific will do something on the line suggested.

One thing a service of this kind would make possible would be the holding of hockey games with outside teams. At present, it is a risky thing to arrange a game in advance, for the visitors may be marooned in Strathmore, and while life in Strathmore has many advantages, an extra visit here is not to the liking of amateur sportsmen who have to earn a living during the daytime.

AN APPRECIATION

If the resignation of Premier Greenfield of Alberta is accepted, the Progressives in that province will lose one of their outstanding leaders. A man of high ideals and personal force, he took the leadership in his own terms, and it is evident that he proposes to relinquish it rather than continue in office under any other terms.

—Financial Post

SHOP EARLY AND IN STRATHMORE

It is perhaps a little too early to adopt resolutions governing personal conduct for 1926, but it is most timely to resolve to do your Christmas shopping early and to do it in Strathmore. Even a farmer has no better time to get into the habit of buying at home than during the Christmas shopping season, for in other seasons of the year the stores are more attractive, so well and completely stocked with new merchandise and so humanly interesting. This time of the year the men folk don't wait outside while the wife is inside doing her buying.

It has never been proven that the mail order houses and out of town stores have more merchandise and lower prices to offer than the home town stores, and there is reason to believe that now as the Christmas shopping period begins the home town stores are equipped with everything desirable and obtainable for the holiday.

There is one privilege and convenience offered to the public by the earlier Christmas shopping season which has been probably overlooked. With the Christmas stocks on display six weeks before Christmas home town buyers are afforded the opportunity of supplying their wants from the home town stores as early as they would make their selection from the mail order catalogue. The public who are buying at home for Christmas, resorting to the mail order houses and out of town stores only in the emergency, buy at home this Christmas and avoid the worry of delayed shipments and the disappointment which comes from paying for things unseen.

OFFICIAL TRANSMITTAL

R. Laurie, Canadian National Railway, was depot ticket agent at Portage la Prairie, has been moved to Prince Albert, Saskatchewan, where he is taking over the local agency. The depot ticket agency and local freight agency at Portage la Prairie have been consolidated with S. R. McKee in charge.

THE COST OF PRODUCING WHEAT IN 1925

(Experimental Farm Notes)

The cost of producing wheat through the three prairie provinces in 1925 has been approximately 30 cents per bushel. This calculation is based on the (unimproved) average yield of 17 bushels per acre and 100% that are regarded to be the prevailing rates of wages, interest, taxes, machinery, seed, twine, and haul insurance. Where the yields have been larger than 17 bushels per acre or where costs, for any reason, have been lower, the average, then, the cost of producing wheat would be below 30 cents per bushel. In fact, each individual grower would have a different cost depending upon how favorable the season had been in his particular locality and upon the efficiency of his farming.

The most important factor affecting the cost per bushel of producing wheat is the yield per acre. It is sufficient to show this. On summerfallow land when the yield is 20 bushels per acre the cost per bushel would be \$1.65. When the yield was 40 bushels per acre, the cost would be \$1.20 per bushel. On ploughed stubble land, when the yield is 10 bushels per acre the cost would be \$2.20 per bushel. On a crop of 20 bushels per acre, the cost would be only 50 cents per bushel. The percentage of land which should be in summerfallow should vary depending upon the comparative yields secured over a period of years on summerfallow and on ploughed stubble land. Increased yields may be obtained by employing better varieties of grain and improved methods of cultivation as recommended by Experimental Farmers.

The season exerts an extremely great influence upon the yields and hence upon the cost per bushel of producing wheat. Yields may vary from almost nothing to over 60 bushels per acre in other years. It is obvious, therefore, that the cost of producing wheat will likewise vary from an extremely high cost per bushel, which entails a heavy loss, to a very low cost which would bring a good profit. Farming is not a one year business, requiring only a few years' experience to run it successfully. Even a farmer's year period is quite insufficient to learn definitely whether the cost of producing wheat is low enough to leave a profit on the market price of the year period would be regretful to observe this enormous variation from year to year in yield and in cost of production.

BRITAIN BUYS MORE CANADIAN GOODS THAN U.S.

In the 12 months ending October, the United Kingdom bought more Canadian goods than did the United States. Canned kingdom purchases were \$185,000,000, an increase of \$45,000,000 over the preceding 12 months. Canadian purchases in the United Kingdom were \$159,000,000 in the 12 months, or an increase of ten millions. United States purchases in Canada, on the other hand, were \$457,000,000, an increase of \$29,000,000. Canadian purchases in the United States were \$563,000,000, an increase of \$29,000,000. During the election a great deal was heard about the advantage of the home market, but very little about the advantage to us of the British market. We purchase a comparatively small amount in exchange.

In view of the figures, I would seem good business to increase the tariff on U.S. goods until the balance is comparatively even, and reduce or extinguish it on British goods so that we can maintain our British market, for with the recovery of Russia, which is bound to come, the competition for the profitable British market will be keen, and Britain is doing her utmost to push her export trade. The distance from Britain to Canada, involving high transportation costs, should be enough protection for any Canadian manufacturer who is efficient.

UNRESERVED AUCTION SALES

THURSDAY, DEC. 3

Instructed by J. J. JENSEN, to sell at the farm, S.W. 16-24-25, 4 Miles East of STRATHMORE on

CANADA ON THRESHOLD
OF GREAT PROSPERITY

— 9 —

The belief that Canada is on the
threshold of great prosperity was ex-
pressed in London, England, a few
days ago by Sir Henry Thornton,
president of the Canadian National
Railways, on the occasion of his re-
turn to the city by the ship, the
George. Sir Henry spoke of the oppor-
tunities awaiting the investment of
British capital in Canada, and em-
phasized the importance of the Domi-
on obtaining British capital rather
than from foreign sources. Among the
guests were Premier Baldwin, former
Premier Ramsay MacDonald, Sir Hon.
Winston Churchill, Sir Alfred Mond,
M.P., Sir Hon. Philip Snowden, M.P.,
Sir Hon. J. H. Thomas, M.P., and Sir
John Simon, M.P.

Slats' Diary

Friday—They were going to have a
intertainment at the church tomorrow
and I was going to be one of the
participants in it but when I got what
they wanted with me why I up and re-
fused. They had given good
parts to Jake and Billie and the rest of
the Gang like girls and
highwaymen and all like that but they want-
ed me to impersonate a gentleman. Nothing
doing on a dirty deal like that so I quit cold.
Saturday—today I got
by the cause of why
was they so many bathhouses in the
world when it seems like as if they
would be plenty enough when to go along
around and maybe have sum left over.
Pa said the only reason he was not of was
that it might be because the men can run
factories the women can most severely.

Sunday—Just found out today that
Miss Sinder whom is just 2 yrs. old
ma is was and got married last fourth
of July and never let on till yesterday.
Ma was wondering why she had den-
told no buddy before this and put
her refection she couldn't believe it
her own self she at 1st and was
afraid to tell it meeb.

Monday—Pa has been a reading in
the Merican magazine about how dif-
frant me go successful in this life.
he told me confidentially that the one
way he had ever make ma believe he
was a success word he to say that she
made him what Joe is today.

Tuesday—The lads did not get at
home today and they were in a lack-
ing about who they all voted for at the
last election. All the wiggon I
except I which's name I won't mention
and she said the reason she couldn't
vote she didn't get her dress from the
dress maker in time to go vote and
she had been planning on it all yr. to.

Wednesday—well I guess I no sun-
ning about when went to a party
last sate and met the new girl. I
wanted to get on well with her so I
try to rise at 1st to make her believe
she was beautiful and such a good
dancer. Well it was a easy thing be-
leave me. We got a long fine.

Thursday—I guess Jane didn't like
the way things went at the party last
sate me spending so much time with
the new girl and had her a body water
to. She was very distant to me today
at school. I was never closer to death.
But I no how it feels after that I guess.

PROVINCIAL SEED FAIR

The Alberta Provincial Seed Fair
will be held in Calgary in January,
during the period of the Convention
of the United Farmers, the dates of
which are January 19, 20, 21 and 22.
It is expected that there will be a
good competition again this year in all
classes. Prize lists for the seed fair
will be available within a few days,
and may be obtained from the field
crops branch of the Department of
Agriculture.

CALGARY STAMPEDE PICTURE

The Western film produced by the
Universal Film Corporation, starring
Hoot Gibson, and which is entitled
"The Calgary Stampede", is now be-
ing shown throughout United States
and Canada, and is resulting in some
very fine publicity for the Calgary
Stampede and incidentally for Alberta.
The picture is built up around the
Calgary Stampede, and features
Hoot Gibson held last year, and many fine
scenes of the stampede are shown.
Scenery around the Highwood River,
and the Prince of Wales Ranch is
also featured.

of Cheadle. The proposed beer
saleroom will be situated on the east
side of the hotel, the entrance being
from Railway Avenue.
Dated at Strathmore, Alberta, this
11th day of November, 1925.

FRANK K. MILLER,
Applicant

Here and There

Basking in brilliant autumn sun-
shine, the coast of British Columbia
offers a striking contrast to the
severe winter weather already expe-
riencing itself felt in other parts of Can-
ada. On the coast, gold courses are
rewarded, the coast is dotted with
figures of bathers taking their daily
dip, and pleasure craft still ply the
waters.

One hundred thousand dollars' worth of Black Fox pelts were
shipped to Antwerp on the Canadian
Pacific liner "Mellita" recently. In
specially built cages they will be con-
veyed by the Dominion Express
across Europe to the farm in Swit-
zerland where they will form the
nucleus of a fox-breeding establish-
ment.

Another instance of enthusiasm.
A recent report from Italy is to the
effect that an automobile, travelling
at high speed, crashed through level
gates at the Chateau St. Jean hotel
across Europe to the farm in Swit-
zerland where they will form the
nucleus of a fox-breeding establish-
ment.

For information apply to the under-
signed.
D. N. GARDINER,
Secretary-Treasurer
Municipal District of Bow Valley,
No. 219.
NOTICE OF SALE

pounded in the pound kept by C. A.
Hartell, Cheadle, located on the N.E.
Sec. 12, Twp. 24, Rge. 26, West of the
4th Meridian, on the 12th day of
November, 1925, and that the said ani-
mal was sold on the 23rd day of
November, 1925, to W. H. Hartell, of
Cheadle, and that said animal may be
redeemed by the owner, or on his be-
half within a period of thirty days
from the publication of this notice in
The Alberta Gazette, upon payment of
all fees and costs due to the munic-
ipality and the purchaser of said ani-
mal.
For information apply to the under-
signed.
D. N. GARDINER,
Strathmore, Alberta. Sec. Treas.
